Welcome to the 2023 Cheshire Fair Horse Show!

To everyone who supported the show last year as we got back into it after two years off, thank you! And to everyone who is here this year, we're so glad to see you and we hope you love the classes and prizes we're offering for 2023.

Start creating your most imaginative costume for you and your horse because the Costume class will be starting off our Friday evening session! Open to exhibitors 18 years and under, ridden or in-hand.

Everyone's favorite Gem classes are offered again this year thanks to the generosity of Pearce Jewelers & Cheshire Jewelers. Walk/trot, Junior Exhibitor, Pro, and Amateur will all have a chance to win a beautiful piece of jewelry in their division. If you entered, showed, and were judged in your division's (w/t/c divisions) Gem class then you're eligible to enter the ultimate – Toast of the Town!

We rearranged the class line up for Saturday evening to give riders and the horses a break before the Toast of the Town, it's the last class of the evening and we've reduced the entry fee to encourage you to enter! Let's fill this class!

Important Notice: To be sure we have a great Exhibitor's Party Saturday Night, we need to know how many people will attend!

A ticket to the dinner will be provided to each exhibitor, and a ticket for the farm's trainer named on your entry form, who is not also an exhibitor. Additional tickets can be requested, the additional number you need must be indicated on your entry form. Additional tickets will not be available at the show. Tickets will be mailed to you with your passes, and a ticket must be presented to attend the party. Check out all the divisions and enter as many classes as possible. It's a busy, fun weekend for you, your horse, and your family and friends who come to cheer for you!

As the Cheshire Fair Horse Show Committee,

We love what we do and it's because of you! Thank you again for supporting the show, good luck, and have fun

RANCH HORSE

This division is to provide a competition that would simulate what a horse might perform on a ranch, moving and working cattle, navigating gates and moving things, and also show the horse/rider connection by performing a simple pattern. A horse that is a pleasure to lope out to check cattle and is pleasing to the eye, using minimal tack. The discipline is western but not breed specific. Good solid working gear for both rider and horse is the only dress and tack requirement, so long as they are in keeping with the minimal tack rules. At this show we encourage cross entering into non-ranch classes so things such as banded manes and hoof polish are not penalized.
